

## League of Women Voters of Yakima Valley

### July 2023 League Conversation Series Opportunities Industrialization Center Panel

**Thursday, July 27 at 5:30 pm**  
**Wesley United Methodist Church @ 14 N 48th Ave**

**Opportunities Industrialization Center (OIC) of Washington**, established in 1971, is an Economic Development and Career Training Agency providing education, training, and supportive services to primarily low-income and rural communities across Washington State. **Leroy Rothamel, Outreach and Recruitment Manager** and **Maryrose Gonzalez, Civic Engagement and Advocacy Coordinator** will be presenting on the programs and services that OIC of Washington has to offer to the community. OIC of Washington is a non-profit organization providing education and career services, supportive services, community, and outreach events intended to build social prosperity and generational wealth.
